Q: What are the differences between the Cost Saving Options available?

- A:
- **RM500 Deductible per disability***
For each health condition that results in hospital admission, you will need to pay the first RM500 of the eligible In-Patient Care expenses, while the plan will take care of the balance of the eligible expenses.

You Pay		Medical Plan covers the remaining
Deductible = RM500	20% Co-insurance = RM2,900 20% x (10,000 – 500) on In-Patient Care expenses + 20% x 5,000 on Out-Patient Care expenses per disability, up to 20,000	RM11,600

For any eligible In-Patient Care expenses incurred within a single year, you will need to pay the first RM20,000, while the plan will take care of the balance of the eligible expenses.
