5. What are some of the key terms and conditions that I should be aware of?

- **Duty of Disclosure** – You must disclose all material facts such as previous accidents and modification to engines. If you fail to do so, We may refuse your claim or any claim made by a third party against you. In such cases, you are personally liable for those claims.

- **Consumer Insurance Contract**

Pursuant to Paragraph 5 of Schedule 9 of the Financial Services Act 2013, if you are applying for this Insurance wholly for purposes unrelated to your trade, business or profession, you have a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you apply for this insurance). You must answer the questions fully and accurately.

Failure to take reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance.

The above duty of disclosure shall continue until the time your contract of insurance is entered into, varied or renewed with us.

In addition to answering the questions in the Proposal Form (or when you apply for this insurance), you are required to disclose any other matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

- **Non-Consumer Insurance Contract**

Pursuant to Paragraph 4(1) of Schedule 9 of the Financial Services Act 2013, if you are applying for this Insurance for a purpose related to your trade, business or profession, you have a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance.

The above duty of disclosure shall continue until the time your contract of insurance is entered into, varied or renewed with us.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

- **Insured Value/Sum Insured** – You must ensure that your vehicle is adequately insured. New vehicle: sum insured = purchase price. Others: Sum Insured = market value of vehicle when policy is bought.

Under-insurance: – if sum insured is less than the market value, you are deemed as self-insuring the difference. In the event of a loss, you will only be partially compensated.

Over-insurance: – if sum insured is higher than market value, maximum compensation is the market value of the vehicle. You cannot profit from a claim (principle of indemnity).

Determination of market value of your vehicle is important to avoid under or over-insurance.

- **Average Clause** – It is applied when you suffer damage to your vehicle which is under-insured. Your claim will be reduced proportionately by the uninsured portion, e.g. if you have insured your vehicle up to 70% of the market value, We will only pay 70% of the total repair cost.
- **No-Claim-Discount (NCD)** – The premium payable may be reduced by your NCD entitlement. NCD is 'awarded' if no claim was made against your policy during the preceding 12 months of policy. Your NCD entitlement will depend on the class of your vehicle and number of years of continuous driving experience without any claim made against your insurance policy. You will lose your entire NCD entitlement once an own damage or a third party claim (if you are at fault in the accident) is made against your policy.
- **Excess** – It is the amount of loss you have to bear while We will pay for the balance of your vehicle damage claim. If you have an 'excess' on your policy, you must pay the amount of the 'excess' direct to the repairer.

- **What you should know when making a claim?**

If your car is involved in an accident:

- a) Take note of the names and addresses of all drivers involved, make/model and registration numbers of each vehicle, the drivers' licence numbers, the insurance particulars and names and addresses of witnesses.
- b) Make a police report within 24 hours and immediately notify Us in writing with full details.
- c) If your vehicle is damaged, you may either make an own damage claim or a third party claim:

Own Damage Claim – making a claim against your own comprehensive policy. However, you will lose your NCD entitlement.

Third Party Claim – if you are not at fault in the accident, you can submit the claim either directly to the insurance company of the party at fault.

- d) For your own damage claim, you may refer your damage vehicle to any authorised workshops from PIAM. However, if we recommend or require that the repairs be done at our panel/authorised workshop, then you should take your car there as advised. We will send an insurance adjuster to assess the damage to your vehicle before authorising the repairs.

- **Betterment** – It is applied when in the course of repairing an accident damaged vehicle (age of vehicle is five years and above), an old part is replaced with a new franchise part. You will have to bear the difference in cost (depending on the age of your vehicle) as your repaired vehicle is in a better condition than it was before the accident.

Note:

- i If you do not receive the insurance policy after one (1) month from date of purchase, please contact Us.
- ii Please note that these limitations, terms and conditions as stated in this Product Disclosure Sheet are not exhaustive. Please refer to the Policy Contract for detailed benefits, limitations, terms and conditions. The contents of the Policy Contract shall prevail if there are any discrepancies between the Product Disclosure Sheet and the Policy Contract.

6. What are the major exclusions under this policy?

- Your own death or bodily injury

- Theft of non-factory fitted vehicle accessories (car stereos, leather seats, sports rim, etc.) unless otherwise declared.
- Consequential loss, depreciation, wear and tear, mechanical or electrical breakdown failures or breakages; and

8. What is excess?

Excess is the first amount that must be borne by you for each and every claim that we approve, even if the incident is not your fault.
