GENERAL NOTICE

- The listing below is updated by AIA Health Services Sdn. Bhd., effective from **1st August 2025**.
- This listing is subject to change. Please refer to www.aia.com.my for the updated identification of panel hospitals/ACCs.

IMPORTANT NOTE

- The Guarantee Letter ("GL") facility is an value-added service available at our panel hospitals. If members receive medical treatment at a non-panel hospital, claims will be processed on a reimbursement basis, in accordance with the coverage outlined in their insurance policy/takaful certificate. This means that a GL will not be issued, and the member will need to pay for the treatment upfront and then submit their expenses to AIA for claims processing.
- Most hospitals require a deposit upon admission (even when the GL has been issued). This is to pay for expenses that are not covered by the GL and the final amount payable will be determined upon discharge.
- For the SMART Option Plan: A co-insurance/co-takaful cost of 20% will apply if the member (a) does not choose a hospital from the AIA SMART Panel, or (b) does not obtain a referral from a General Practitioner (GP) prior to seeking specialist treatment.**
- AIA SMART Panel Hospital Network:** This is our curated network of hospitals throughout Malaysia based on the hospital's commitment to deliver consistent and comprehensive healthcare to all AIA medical card holders.
- AIA General Panel Hospital Network:** Please note that the Cashless facilities under these network of hospitals are limited to specific departments and specialists within each hospital. We strongly encourage AIA Medical card holders to refer to the **AIA Panel Provider Specialist Listing** to view the availability of cashless facilities offered to the intended specialist or department prior to seeking treatment.
